Class of 2016

Prom

Prom King

aka

Harry Knight

Prom Queen

aka

Ella Payne

On Friday July 1st the class of 2016 held their Prom Evening at King's Lynn Town Hall. The Students made their spectacular 'arrivals' at St Clement's High School watched by a large crowd of spectators. The transportation included a tank, lorry cabs, vintage cars and high performance vehicles—it was quite a show! Later, all students were taken to King's Lynn to begin their special evening in the historic setting of the Town Hall. This is the first time that our Prom has been away from the school. Once inside they had a few surprises such as a Photo Booth, Candy Floss Machine and a Sweet Trolley. The Photo Booth pictures can be viewed on www.wellsyjayphotography.co.uk, you may recognise a few familiar faces!

The students made the most of the disco and danced the whole evening. Half way through the evening; we were joined by the Town Mace Bearers in full regalia which provided another excellent photo opportunity.

The Evening was a great success and students experienced a memorable and special Prom. The Prom organizer Mrs Nichols-Smith was so pleased with the students' positive comments and appreciation. Mrs Roper and Mrs Nichols-Smith would like to thank all those that helped make the evening possible.

St Clements High School

Junior Maths Challenge Success 2016

Pupils at St Clements High School have achieved 5 silver and 19 bronzes in this years UKMT Junior Maths Challenge.

Over 250,000 pupils from across the UK sat the Junior Maths Challenge with roughly the top 6% receiving a gold certificate, the next 13% silver and the next 21% bronze.

Year 7

Best in Year: Elizabeth Wood

Silver: Elizabeth Wood, Asha Rice, Brianna Lee, Nathan Lomas.

Bronze: Meda Vitginyte, Lucas Yeung, Ellie-Mai Shepperson, Holly Evans, Keeley Bower, Oliver Eveson, Hayden Lawrence, Tom Cazot, Oscar Bullock and Libby Poole.

Year 8

Best in Year: Arthur Knight

Silver: Arthur Knight

Bronze: Sophie Watson, Jake Schrier, Ben Peacock, Eloise Rix, Oliver Witting, Tayla Rust, Alfie Wagg, Nicholas Durrant and Robert Fennell.

The Junior Maths Challenge is run by the UK Mathematics Trust and supported by the Institute and Faculty of Actuaries. It is aimed at those in Years 7 and 8 and is sat in schools. The UK Mathematics Trust is a registered charity whose aim is to advance the education of children and young people in mathematics.

Elizabeth Wood is keeping St Clements High School in first place for the local schools!!

Congratulations Year 8

MathsCareers Visualising Data Competition Entries

More information on the next page.

maths@stclements

Which month is most popular to be born in?

Month	No. of students	Color
January	1000-1000-1000	10
February	1000-1000-1000	10
March	1000-1000-1000	10
April	1000-1000-1000	10
May	1000-1000-1000	10
June	1000-1000-1000	10
July	1000-1000-1000	10
August	1000-1000-1000	10
September	1000-1000-1000	10
October	1000-1000-1000	10
November	1000-1000-1000	10
December	1000-1000-1000	10

The data is primary because we collected it as a year group together.

Most of our Year 8 students at St Clements High are born in either July or August. There's no proven reason for why this is, but there are several theories that there's more sunshine in the cold, winter days than in the hot, sticky ones.

Well done to Eloise Cumming, Emily Hailstone, Poppy Kirby, Chantel Lyon and Eloise Rix for being selected to enter the MathsCareers Visualising Data Competition and **CONGRATULATIONS to Elsie Cumming for being placed as a Runner Up!!!!**

The entries were based around the data handling section of the Year 8 course, the students were asked to collect primary data about themselves so that we could find "The typical Year 8 student"

They collected gender, birth month, height, arm length, leg length, hair colour, eye colour, number of siblings, shoe size and left or right handed. The data for each group was then combined for analysis.

The students were then tasked to produce a poster to tell the story of a typical year 8 using the data. They were assessed on their analytical and presentational skills, the aim being to produce all the graphs and analysis using computer software of their choice.

The posters were then reviewed in house and those that fulfilled the criteria entered in to the Visualising Data Competition promoted by STEM Learning on behalf of MathsCareers.org.uk.

What is A Typical Yr8?

What is a typical yr8? well by reading through this poster you should find out, to get all this data each and every yr8 at our school had to fill out a table about there self with both qualitative and quantitative data, to make this poster I use Apple's version of Excel (Numbers).

Typical yr8 by eye colour

Gender	Brown	Blue	Green
Male	18	25	8
Female	26	21	8

Typical yr8 by birth month

Month	Number of students
January	3
February	7
March	13
April	11
May	3
June	14
July	14
August	5
September	7
October	5
November	10
December	10

Pie Chart on eye colour for male

- Brown: 22.5%
- Blue: 31.25%
- Green: 10.4%

Pie Chart on eye colour for female

- Brown: 32.5%
- Blue: 26.25%
- Green: 10.4%

To conclude, overall looking at these graphs and tables, there is an obvious result that in a typical male yr8, blue is the dominant colour and brown in female. The most common birth months are July and August.

I think this was because most parents now have brown eyes, which they then pass onto their children, with birth months and birthdays I think the hotter months are more popular because parents want to have the best for their children, like nice weather for their party.

Birth month

This I used research on eye data that was presented on the internet and presented it as a bar chart.

Birth months for males and females

This I did the data in a bar chart.

Conclusion

In conclusion most male year 8 students are born in August, October, March or July and most female students in the year are born in March, April, July and December. This means that August gets the most of both genders and December the least.

What is a typical year 8 student?

Conclusion

In conclusion the eye colour of Year 8 students is:

- Male: Mean = 122.15, Mode = 120, Median = 120, Range = 100-130
- Female: Mean = 120.00, Mode = 120, Median = 120, Range = 110-130

Height

The other I made was tables, but I did not make a chart and I did not make a conclusion.

WHAT IS THE MOST COMMON YEAR 8 EYE COLOUR?

WE COLLECTED DATA FROM ALL OF THE YEAR 8 CLASSES, WE GOT THEIR EYE COLOUR, HEIGHT, ARM LENGTH, LEG LENGTH, BIRTH MONTH, SHOE SIZE, NUMBER OF SIBLINGS AND IF THEY WERE LEFT OR RIGHT HANDED. WE THEN SPILT THE DATA INTO QUALITATIVE AND QUANTITATIVE DATA. SO FROM THE QUANTITATIVE DATA I HAVE CHOSEN TO EVALUATE THEIR EYE COLOUR.

Colour	Brown	Blue	Green
Male	17	23	7
Female	26	23	9
Total	43	46	16

Male

To conclude this pie chart, in the female section the most popular colour of eyes is brown with 26 people and a percentage of 45% it was a close call to the girls.

Female

To conclude this pie chart, in the male section the most popular colour of eyes is blue with 23 people and a percentage of 49%.

Overall

To conclude to this poster the most popular eye colour in year 8 at St Clements High is blue. Brown was only 3 less than blue and green was 30 less than blue.

The Average Year 8 Student ...

First of all, I gathered all of year eight's 100 students' data. Both qualitative (worded) and quantitative data (numbered values) were collected.

I chose to represent some qualitative data in a tree map table and made a pie chart for each section of data.

Boys' Birth Month

Girls' Birth Month

Boys' Hair Colour

Girls' Hair Colour

Boys' Eye Colour

Girls' Eye Colour

Conclusion

Overall I conclude, that the average female year 8 student has a birthday in July, has brown hair and brown eyes. The average male year 8 student has a birthday in August, has brown hair and blue eyes. This means that most Year 8's have a birthday in the summer. Also, most Year 8's have brown hair.

catering@stclements

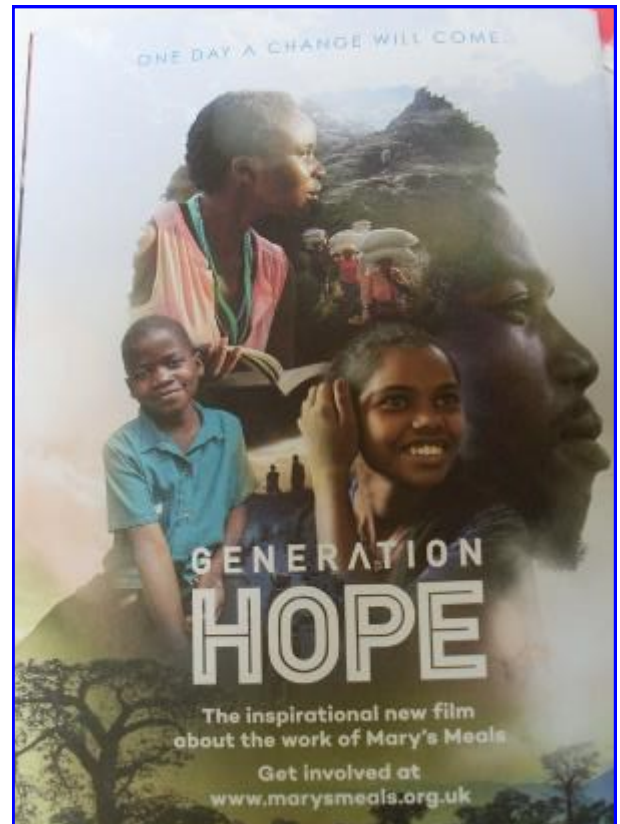

Students Coffee Morning Raises Money for Charity

Part of the Year 10s Catering and Hospitality GCSE coursework is to plan, prepare and host a social event. On Thursday 9th of June the students opened their American Diner themed Café to the public and staff.

The students set up the café with red and white chequered table cloths, 1950s background music and plates piled high with appetizing cakes, biscuits and savoury bites, all cooked by the students.

Teacher Mrs Clarke explained that for many of the students it was the first time that they were in the role of hosts and so were tested on their social skills when interacting with adults unknown to them. Many guests complimented the students on their polite professionalism.

Guests were invited to make monetary donations and buy raffle tickets which would all be given to the charity - Mary's Meals.

literature@stclements

Elizabeth Wein, published author, visits St Clements

On Tuesday 21st June the Learning Resource Centre welcomed published author Elizabeth Wein. A group of 20 year 9 students were invited to come along and meet Elizabeth as well as take part in a presentation of Elizabeth's life as a author and to put questions to her at the end.

Elizabeth Wein is an American writer of historical fiction for young adults. She lives in Scotland with her husband and her two children. Her presentation to the students was all about her life growing up in Jamaica as a young child, how she wanted to become an author and where her inspiration comes from.

"It was really interesting to see her photos and learn all about her research in concentration camps", says Callum.

Daniel says, "I couldn't believe she had done wing-walking".

Three of Elizabeth's best selling books are: Code Verity, Rose Under Fire and Black Dove, White Raven.

She took time at the end of the day to talk to students and sign their books. A brilliant afternoon was had by all!!

Students getting their books signed by Elizabeth Wein.

citizenship@stclements

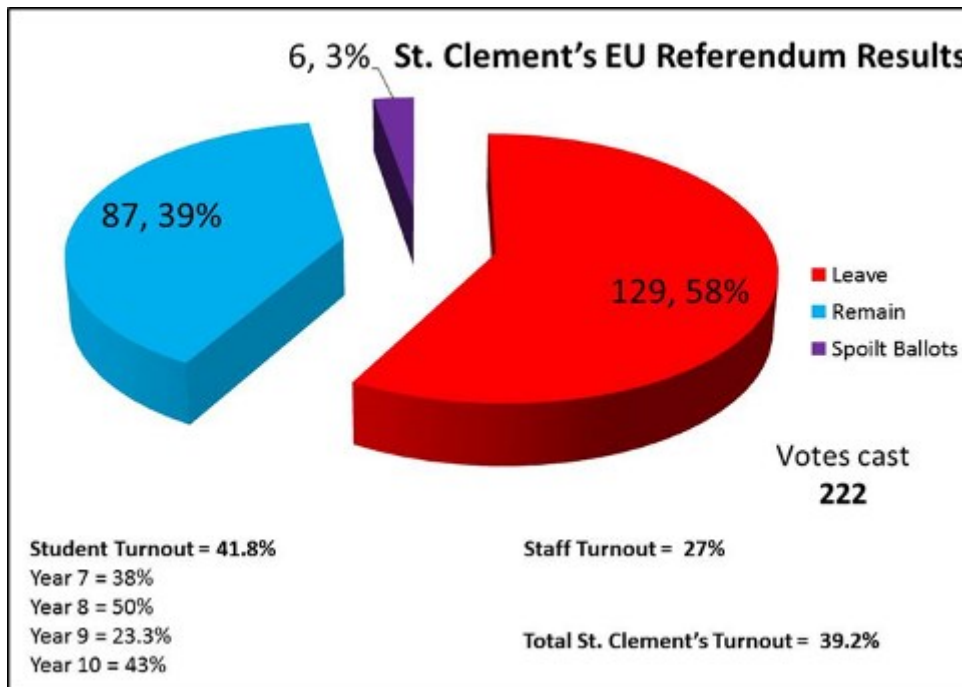

St. Clement's joined the rest of the country in the historic event of the year.

Students from Year 9 GCSE Citizenship ran a mock referendum for the whole school. The aim was to see and feel what it is like to vote and have a say in important issues.

Our referendum on the European Union was held on the same day as the rest of Britain went to the polls. In the days before the corridors were buzzing with discussions on how people would vote. But more importantly, was the quality and variety of reasons people were giving on such a topical, controversial and complex issue.

The day went smoothly volunteers from the Year 9 citizenship class manning the 'polling station' (room 24). The turnout was impressive with 42 per cent of the school showing up to vote and an even more impressive 50% of Year 8's.

Interestingly, the St. Clement's vote was very similar to the local area with 58% voting to leave and 38% to remain.

Although the result did not go the way some people wanted, the day was conducted with the upmost respect for each other, our differences and our opinions. This is something that our school community should be very proud of.

Hopefully our students will play an active part in politics in the future.

Mr Townsend

D of E@stclements

This is the second year that the Bronze Duke of Edinburgh award has been run by the school and this year we are bigger.

To achieve the Bronze award Students have to complete 4 sections over 3 months, the sections are:

- Physical
- Voluntary
- Skills

And then there are the “Expeditions”, practice and assessed.

Students decide on what Physical, voluntary and skills activity they would like to do. There has been a range of activities from: Swimming, Rugby, coaching, Bee keeping, baking, volunteering at children’s clubs, conservation and the Sports Leader Award also counts towards either the voluntary or skills section.

Last year we hadn’t any expedition equipment except for 2, 2 man tents, the rest we had to borrow. This year when Norfolk D of E closed we were gifted old but useful equipment and not long after that we were given a grant from D of E West Norfolk to purchase new equipment, this included 20 rucksacks, 9 tents as well as 20 compasses that work.

The 19th of June was the practice expedition at Bircham Windmill where we could try out the new equipment and the student’s ability to carry a 25kg ruck sack for at least 6 hours. They did it, they showed that by working in a team they could; navigate, pitch a tent, cook an edible meal, and come up with ingenious ways to stop the ruck sacks rubbing as well as cross very big puddles.

For two groups the final expedition was at Ringstead on the 8th of July. Despite the rain, a detour, a ripped tent, blisters, swollen ankles and severe hay fever all had a good time.

Mrs Spurrier

business@stclements

This year the Business Enterprise group raised over £290 for charities. The selected charities this year were; Bob Champion Cancer Trust, MacMillan, RSPCA, Cancer Research and Rudham Ward. The Enterprise groups sold drinks, ice cream, ice pops, cakes and other snacks as well as setting up a unique photo booth during Sports Day.

For one last time the Year 11 Business Studies Group put on High Visibility Vests, this time it was to take a tour of a local business Hillgate Nurseries. Mr Pack took time out of his busy day to give students a guided tour of the business. Students learnt about; the different business activities, how the business uses technology and manages to be sustainable.

competitions@stclements

On Wednesday 22nd June, seven year 9 students went with Mr Modica to Springwood High School and took part in a competition entitled Lovells Estate Naming Challenge. They defeated two other teams to win the competition.

The students created a presentation all about the history of King's Lynn and had to decide on a name for a new housing estate near Lynn Sport. The winning name was 'Cowper Place.' William Cowper was an 18th Century poet.

Prizes were given to all winners.

Mr Modica

p.e@stclements

(30TH JUNE 2016)

St Clements held their 6th Annual Sports Presentation Evening on the 30th June. We were privileged to have Bob Champion, MBE as our guest of honour. The evening celebrated the many individual and team success throughout the academic year both in curriculum time and during the extensive extra-curricular programme.

The audience of students, parents, carers and invited guests were treated as Bob Champion gave a real insight into his rise to fame, his battle against cancer through to his historic win at the Grand National and subsequent involvement with The Bob Champion Cancer Trust.

Above: Guest speaker Bob Champion

It has been a very successful year with the school competing in 15 different sports, winning WN competitions in badminton, angling, netball & tennis. Sport Relief saw the school community really pull together through a variety of different events and raising a staggering £2009.99. In lessons, we have introduced archery, rock climbing and enrichment activities to compliment the programme that runs throughout the year. The Sports Leader Award provides both challenge and opportunity for students in year 10 & 11, along with aspirational visits to Loughborough University and large sporting venues.

The evening saw a number of Awards presented. Highlights included:

Sportswoman of the Year; shared between Jess Alder & Bryony Pack and Sportsman of the Year; Alfie Bobbins. All three students perform at County level in their chosen sport, represent the school in at least six different sports, have Full Sports Colours, Level 2 Sports Leaders and are excellent role models.

Jess Adler and Bryony Pack

Alfie Bobbins

School Team of the Year; shared between KS4 Girls & KS4 Boys Badminton Teams who both won the County Championships and the Angling Team who won the Active Norfolk County Angling Final.

KS4 Badminton Team

Top Sports Leader; Girls; Louise Watson and Boys; Charlie Rudland. These two students have led a number of sessions and activities to a very high level both in school and in our feeder primary schools

Top GCSE Practical Award was shared between Paul Defty & Sam Thorpe. These two students are forecast to obtain maximum marks for the practical aspect of the GCSE PE qualification.

Paul Defty and Sam Thorpe

Contribution to School PE & Sport; Jess Boxall, Annabel Brown & Alec Marshall. This Award is given to those students who dedicate their time not just to playing sport, but to coaching, officiating and running events.

15 students obtained their Full Sports Colours; these students have already obtained their Half Sports Colours and were awarded to all students who represent the school in four different activities this academic year.

Students with their Full Sports Colours

The school also recognised the contribution made by the outgoing Year 11 students. Five students were singled out for the significant contribution they have made during their time at the school;-

ELLA PAYNE

- School Sports Captain & Sportswoman of the year 2015
- Represented the school in six different sports
- Coached regularly and officiated at West Norfolk badminton tournaments
- West Norfolk & Norfolk County Badminton winner
- Level 2 Sports Leader Award

SAM BAXTER

- Nominated and shortlisted for the KLFM Sports Awards, category SUPPORT IN SCHOOLS - Runner Up
- School Sports Captain
- Represented school in five different sports
- Coached and officiated football
- Year 9 high jump record holder
- Level 2 Sports Leader Award

HARRY KNIGHT

- Represented school in five different sports
- Coached regularly and officiated at West Norfolk badminton tournaments
- Represented West Norfolk in athletics, fishing, rugby, badminton
- County Champion at athletics, badminton
- Joint winner of Sportsman of the year 2015
- Level 2 Sports Leader Award

An excellent year's work by all at St Clements High School!!!

p.e@stclements

Despite the dreadful weather this summer, this term has been a very busy and successful for students in the PE Dept.

Athletics:-

The school entered the West Norfolk Schools' Championships in May and finished 4th out of 7 competing schools. The year 10 team finished second overall in their age group and were just 13pts off 1st place. We had a record number of students qualify to represent WN in the county championships. Both Dawson Hunter and Callum Brooks finished 3rd in the county in their respective events.

Dawson and Callum

ALFIE	BOBBINS	1500m
ANNABEL	BROWN	100M
GABRIELLE	CLARE	LJ
RHEANNON	HANKS	300m

MICHAEL	PERHAM-MUNRO	100m; 12.15secs
CHARLIE	RUDLAND	200m; 25.7secs

p.e@stclements

Cricket: -

It has been a season of frustration with many cancelled matches, but one which has seen the number of students participating increase. The U15s got their first win, but for the cancellations, could have challenged at the top of the league.

Rounders:-

The season is drawing to a close. Years 7, 8 & 9 have competed well and completed all their fixtures. The year 10 girls' team are in contention to become West Norfolk Champions. With two matches remaining, they are undefeated, playing to a very high standard throughout the season. The annual U15 mixed rounder's tournament is staged at St Clements and went ahead as planned on Wednesday 6th July. Once again, the school performed very well and ran out clear winners with a 100% record and are now West Norfolk Champions.

Under 15 mixed West Norfolk Champions!

Tennis: -

The school have played in both the Agon Tennis league and in the West Norfolk competitions. The rain has impacted significantly and has resulted in several cancellations. Despite this, the U15 girls' team won their tennis league and qualified for the Norfolk semi-final. Unfortunately they came up against a strong Bungay High School side who deservedly progressed to the final. The U15 West Norfolk event was cancelled due to rain, but in the U14 competition, the doubles pairing of Harry Bland & Nathan Lomas won the Plate competition, while Oliver Witting and Ben Peacock finished runners up in the main draw.

Tennis Team!

Fishing: -

The school ran its first ever fishing match at Buttonhole Lakes earlier in the term. The event was attended by 15 students and saw students catching a variety of fish including bream & carp. Will Evans won the competition landing in excess of 60lbs in 1hr 45mins. Liam Wagg was second and Alan Barwood 3rd. These three students formed the A team, along with Lizzie Whitehouse, Arthur Knight & Kieran Woolard in the B team at the West Norfolk competition staged Narborough Lakes. The A team won this event, and in doing so, qualified for the county final at Barford Lakes. This event had 16 teams from the 8 districts. The students were outstanding and were crowned champions!!

r.e@stclements

Walsingham June 22 2016

Mr Modica, Miss Dunn and myself took 32 Year 8 students to Walsingham.

We started the day at the Roman Catholic Slipper Chapel and had a talk from a nun about the site, before walking the Holy Mile to the Abbey, and then on to the Anglican Shrine. We ended the day with a sprinkling of the Holy water.

The pupils had a lovely day, and learnt a great deal about pilgrimage and Christian symbolism.

Mrs Wood

outside@stclements

Nathan is the 2016 English under 16 Billiards Champion

In Kings Lynn on 22nd May 2016 fifteen year old Nathan Boughen won the English Under 16 final by beating Merlin Knight in the final. In the under 19's, Nathan reached the final but was defeated by Jack Easter.

Nathan played thirteen matches, only losing one to claim his title. The final was against Merlin Knight from Norwich and the score was 130 to 88.

This was Nathan's first time in the tournament and to win is impressive. Nathan said "I thought I had not played my best but it seems on the day it was good enough"

Nathan is currently preparing for a competition being held in Devon.

If you would like more information have a look at www.eaba.co.uk

Under 19

SF 1	Merlin Knight	90	Tyler Whittred	68
SF 2	Nathan Boughen	129	Callum Wilson-West	69
Final	Nathan Boughen	130	Merlin Knight	88

Under 16

SF 1	Jack Easter	181	James Freestone	102
SF 2	Nathan Boughen	113	Rocky Woods	108
Final	Jack Easter	238	Nathan Boughen	120

The end of the summer term brings a variety of opportunities for us to celebrate our students' achievements. The Art exhibition was extremely well attended; representatives from the local community as well as staff and students both past and present all joined us to view the work from the current GCSE groups. Everyone commented on the high standard achieved.

It was great to meet the legendary jockey Bob Champion when he came to present the prizes at the recent PE presentation evening. The outstanding achievements of a very high number of students were recognised during the evening and Bob had everyone laughing with his tales from the racing world. I know the students are keen to acknowledge all the hard work done by the PE team throughout the year.

The year 11 Prom always acts as a marker for the end of another academic year. This year we were all extremely sad to say goodbye to a great set of students. Once again we saw a wide range of vehicles providing a unique arrival for the students; the Crane and the Tank were particular highlights that none of the staff could recall ever being used before. All the students looked wonderful, and more than one parent was seen with a tear in their eyes. In a break with tradition the main Prom event took place at King's Lynn Town Hall. The students were impeccable throughout the evening, and have all said how much they enjoyed the event. We will truly miss them.

The end of the academic year sees the departure of staff who joined us to cover maternity leave. Mr Bart leaves the PE as we welcome back Miss Cole and Mr Townsend leaves the Citizenship team as Mrs Morton returns. We are very grateful to both these staff for joining us temporarily and we hope they stay in touch with the school.

We have, unfortunately, needed to reduce the number of Classroom Assistants in the school and so after long periods of service Mrs Cooper and Mrs Lucas leave us this year. We wish them every success for the future. After a long career in teaching Mr Martindale is retiring. While he has only been with us for two years he has made a significant impact as the Head of Design and Technology and we all send him the very best wishes for a long and happy retirement. We also say goodbye to Miss Cox this year, after many years of outstanding service to the school and exceptional leadership of the History department. She has also been on maternity leave in recent months and now leaves us to take up a part time position in another local school and enjoy time with her young family. We owe her a great debt of thanks for all her hard work over the past years and we extend our very best wishes to her for the next stage of her life.

While no one wants to wish away the summer holidays, September will soon arrive. It was great to meet the new students joining us in year 7 when they visited for two transition days; they started nervously but soon looked more relaxed and I am sure they will soon settle in with the help of Key Stage Three team.

All that remains is to thank you all for your support during the past year and wish you all a great holiday.

Mr Willingham
