Dear Parent or Guardian,

If your Child has still not received their Meningitis ACWY & DTP Vaccination please can you email or call the school team to make an appointment at your nearest clinic.

We are aware due to COVID 19, that some immunisations have been missed. This is an important vaccination part of the NHS Immunisation Schedule.

Please check what your child is up to date with and contact the team if your child is still missing the ACWY and DTP Vaccination.

Yours sincerely,

Vaccination UK
