Good Evening and
Welcome

ST CLEMENT'S HIGH SCHOOL

**The achievement and
progress of your children
is the highest priority of this school**

Working together.

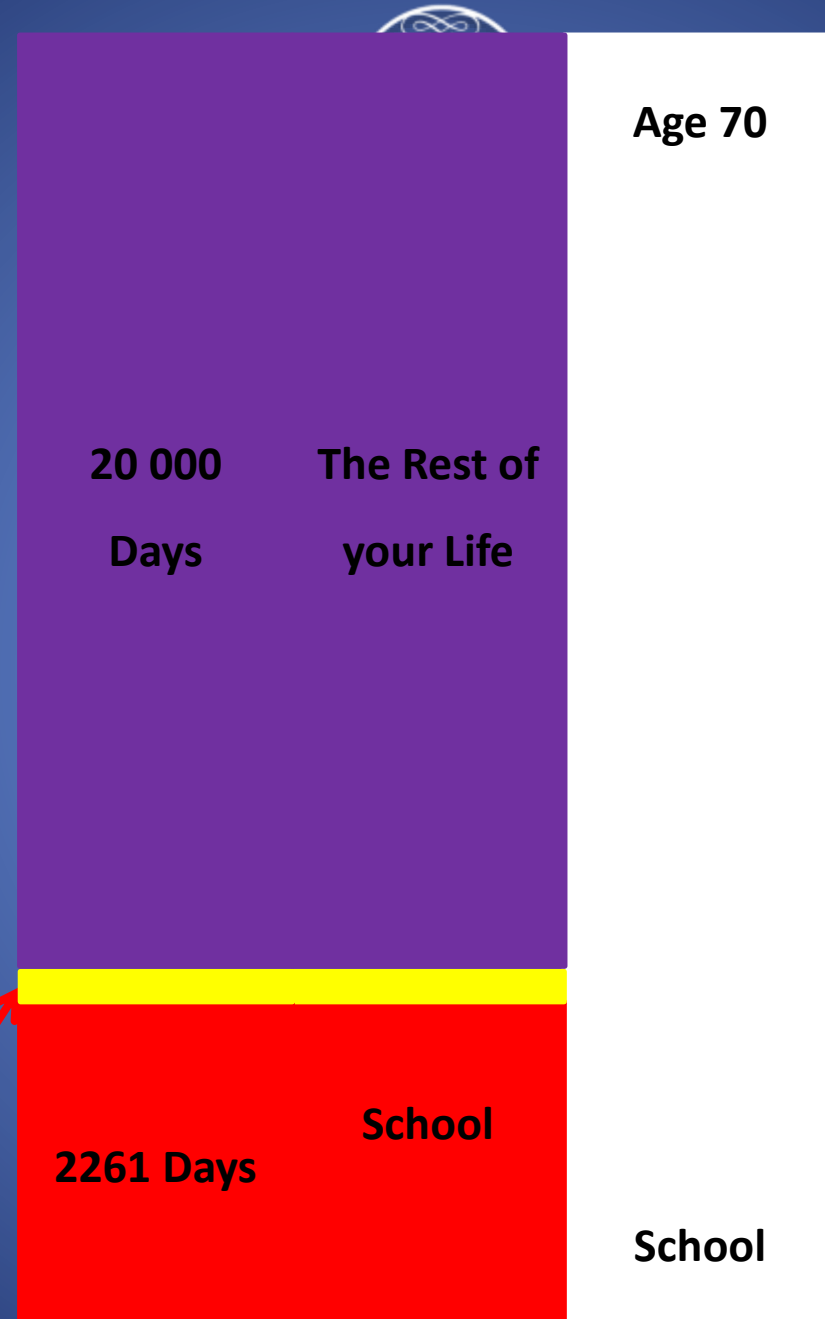

Parental support is eight times more important in determining a child's academic success than social class, according to a study by 'The campaign for learning'.

The Progress Report

Each Half Term

Target Grade

This is an aspirational grade based on KS2 scores

Predicted Grade

This is what the teacher believes the student will achieve, based on current evidence

ST CLEMENT'S HIGH SCHOOL

The Fine Grading of Reports

4a or C1	<i>Secure and should be pushing for the next level up</i>
4c or C3	<i>Insecure and could fall into the grade below</i>

ST CLEMENT'S HIGH SCHOOL

Attitude to Learning

'ATL' - what does it tell us?

1. Sky Blue

A highly motivated and ambitious student, who seeks advice and acts upon it and wants to be the best they can be. They will set themselves challenging targets and are surpassing St Clement's minimum expectations.

2. Green

A student, who is seeking to do well, is reaching their targets and knows how to achieve them. They are achieving St Clement's minimum expectations and know what they need to do to improve.

3. Amber

A student who understands what they need to do to improve and is capable of making improvement, but is lacking the desire or motivation to make the change. Currently, this student is not achieving St Clement's minimum expectations.

4. Red

A student who is significantly below St Clement's expectations. This student sees little value in setting personal targets and challenges. They are unwilling to accept the help and support offered to realise their goals.

ST CLEMENT'S HIGH SCHOOL

Attitude to Learning Scores

AtL scores determine
the trajectory towards
the target grades.

English and Maths

- Whatever level students go on to, if they do not have grade 4 or above in English and Maths they will have to study them alongside their chosen subjects.
- Most level 3 courses will not accept students without grade 5's in English and Math.
- These GCSEs will need to be re-taken in their 1st, 2nd and even 3rd year if they do not pass at 4 or above.
