

GCSE Results Day 2026

Thursday 20th August 2026

Results will be available for collection from the sports hall from 9am until 11am.

For students unable to collect their results personally, there are three options available:

Collection by an authorised person

Students can arrange for a member of their family or a friend to collect results on their behalf. A completed results collection form must be emailed to the address at the bottom of the page or handed in by the person collecting results. This person must also bring photographic identification. Results cannot be released without a completed form, signed by the student.
