Select your school email address

School Email needs to be open on a tab or on your Gmail app

The screenshot shows the login page for satchel:one. At the top, it says "satchel:one For access to Show My Homework". The "Login" section has three role buttons: "Staff", "Parent", and "Student". The "Student" button is highlighted with a red box. Below the role buttons are radio buttons for "I already have an account" (selected) and "I don't have an account yet". There are input fields for "Search school", "Enter email address or username", and "Enter password". A "Log in" button is below these fields. Below the "Log in" button is the text "Or log in with:" followed by three options: "Sign in with Office 365", "Sign in with Google" (highlighted with a red box), and "Sign in with RM Unify". On the right side, there is a "Need help logging in?" section with links for "Logging in as a student", "Forgot password?", and "Issues with the PIN?". A red box highlights the "Sign in with Google" button in the bottom right corner. A red box on the left side highlights the password field with the text "Do not use this section as it does not recognise your email password".
