

Welcome to our very first school council newsletter!

As well as your Councillors keeping you up to date during form time, we will also be using our brand new newsletter to share important updates and extra information with you after each of the meetings.

Remember, if you have anything you would like to be discussed at a School Council meeting you should tell your Councillor.

Coming soon...

School Council Success!

St Clement's school council has achieved so much in the past, for example:

- ★ Securing funding to renovate the school toilets
- ★ Improving the walkers path into school
- ★ Approving new changes to the P.E uniform
- ★ Fund raising in the school community
- ★ Increasing the number of bins and recycling facilities in the school grounds
- ★ Helping with Year 7 transition advice

Topics discussed during this meeting

- ★ School jumpers
- ★ Water fountains in school
- ★ Food choices in the canteen
- ★ Fundraising for extra sport facilities
- ★ Playing sport during break and lunch
- ★ Bike storage in school
- ★ Year 11 Prom and other school events

Christmas is coming...

With the Christmas holiday's fast approaching, we're beginning to think about our School Council Christmas Fundraising. Ahead of our next meeting, we're welcoming ideas for how we could try and make a difference and have a positive impact at Christmas time. This can be a difficult time of year for some people so we want to work together to do something positive! The care packages that we collected for Terrington Lodge last year made a real difference and all of the residents and staff at The Lodge were incredibly grateful.

So, if you can think of a group or charity in our local community, who would benefit from some St Clement's festive spirit, please let your School Councillor know so they can share it at the next meeting.

Welcome to our new Year 7 Councillors who made a brilliant first impression at the meeting! They made really valuable contributions, sharing the ideas of their tutor groups and giving the rest of the council an insight into life at St Clement's through the eyes of our newest members of the school!

Our next meeting is
Friday 19th November

Thank you from the Library!

Our Librarians at St Clement's have sent their thanks to the School Council for the suggestion to increase the number of LGBTQ+ books available in the library. They have been impressed with the interest shown in the new collection and were really pleased that some of the books are out on loan already! If you have any suggestions for any books you'd like to see in our library, let your councillor know and we can speak to the library team!
