

# French

## What should I focus on?

You will soon be finishing the course and you should already be revising!

At home you should:

- Practise your speaking - prepare and practise those questions you have been given for each module using your Speaking booklet (yes, all of them!)
- Practise your Writing - extended pieces (90 words and up) on each of the different topics.
- Revise your vocabulary daily (you'll be amazed at what 10 minutes can do).
- Listen and watch authentic materials (you have Youtube, news channels, etc, use them!)

## What are those topics again...?

- Module 1 - **Qui suis-je?** (identity and culture/ describing friends and family)
- Module 2 - **Le temps des loisirs** (identity and culture/ free time and hobbies)
- Module 3 - **Jours ordinaires, jours de fête** (identity and culture/ festivals)
- Module 4 - **De la ville, à la campagne** (local area, holiday and travel/ home area)
- Module 5 - **Le grand large** (local area, holiday and travel/ holidays)
- Module 6 - **Au collège** (school)
- Module 7 - **Bon travail!** (future aspirations, study and work)
- Module 8 - **Un oeil sur le monde** (international and global dimensions/ the environment)

## Where can I go to get some extra help?

- Your revision guides and workbooks - Ask your teachers to check extra work.
