THE DUKE
OF EDINBURGH'S
AWARD

ST CLEMENT'S
HIGH SCHOOL

What is the DofE?

The Duke of Edinburgh Award is a life changing experience. It's an opportunity to learn new skills, discover talents and to have fun with friends. It's a well respected award which is recognised by colleges, sixth forms and employers.

The award is split into four sections, Physical, Volunteering, Skill & Expedition.

The DofE is open to anyone from the age of 14, regardless of one's ability, gender or background. One of the key values in the DofE is about working as a team, you don't achieve the award by coming first.

EXPEDITION

EXPEDITION SECTION

The DofE Expedition

The Bronze Duke of Edinburgh expedition is a 2 day 1 night expedition.

On the expedition you have to carry all of your food, water, clothes and camping equipment with you on the 15km walk each day.

You have a practice expedition as well as the assessed one.

On the expedition everyone will be pushed to their limit, whether it is the exhaustion of the walk, the lack of comfort when camping or simply being outdoors.

For me, the struggle was arriving back late to camp after getting lost on the walk, however, whatever the challenge, you learn to encourage each other on as a team and how to deal with the challenge in order to complete the expedition successfully.
