

Learning Journey Mathematics - Key Stage 3

Further geometry		Probability		Further algebra	
Pythagoras & Trigon		Combined e & Venn diag		Inequalities, quadratic graph	
Algebraic techniques Equations, rearranging formulae	3 with num	nber wit	easoning h algebra ar graphs, ence rules	Reasoning with geomet	
Algebraic techniques 3		ications number	Probabi	ility Statis	
Expressions, equivalence		al contexts, and interest	Chance outcom		
Algebraic techniques 2	Develop geomet		veloping umber	Construc in 2D an	
Equations, brackets	Angles, are perimet		, multiply & le fractions	Working with 2D accurate const mathematica	
8	Statistics		ebraic niques	Reasoning with numb	
re	Collecting & presenting data		& divide lik	_	
Fractio	ons	Algebra thinkin		Percentages	
Add & su decimal/pe equiva	ercentage	Add & subtra terms, substi		ractions/percenta of amounts	

with number

Place value, four operations,

factors and multiples, directed numbers

Geometry

Measuring, notation,

basic angle rules
