## **RE: Y11 PPE's (Mock Exams) & Revision Sessions**

Dear Parent/Carer,

Many thanks to those of you who managed to join us for last week's Post 16 Information Evening. I hope you found it useful. It would be much appreciated if you could take the time to complete the feedback form. For those who were unable to attend the resources from the guest speakers can be found in the 'Class of 2022 (Year 11)' Google Classroom which your son/daughter has access to.

Please can I draw your attention to the next set of mock exams (PPE's – Pre-public examinations) which are due to take place week commencing 01/11/2021. Staff are busily preparing students for these during lesson time and in addition to this there are a number of departments who are offering after school revision sessions which begin this week (see overleaf for details). Please get in touch if there is anything that may hinder your sons/daughters ability to attend these sessions as we are very keen that as many students as possible have access to the support to ensure they get the most out the opportunities available.

Finally as I am sure you are aware we are finalising our choice of venue for the 'Class of 2022 Prom' due to take place next summer. I have asked Y11 to complete a google form to indicate their preference but please discuss this with them as I am aware it is very likely to be yourselves who finance their involvement in the event.

Year 11 have made a really positive start to this academic year with over 2300 achievement points awarded so far, I sincerely hope we get to remain in school and they are given the chance to demonstrate their academic ability in the more traditional way. Please do not hesitate to get in touch to discuss the contents of this letter or any other aspect of this academic year.

Yours Sincerely

Mr L Feaviour  
(Assistant Headteacher – KS4 Achievement & Progress)
