Year 11 Parents' Evening
Thursday 6th January 2022. 4.30 pm – 7.00 pm

Dear Parent/ Carer

I would like to invite you to attend the Year 11 Virtual Parents' Evening which will be an excellent opportunity to discuss the next steps to best support preparation for the remaining time in school. Once again we are hosting the evening via an online platform, the link for which can be found at;

<https://stclementshigh.schoolcloud.co.uk/>

Overleaf you will find guidance on how to register for the evening as well as details of how you make appointments with the relevant subject staff and attend on the evening itself. Please can I ask that you register by Tuesday 4th January 2022 and inform us of any difficulties so that we can support you in accessing the evening in advance.

Progress reports will be available on line via the SIMS Parent APP by the end of this week. If you have any difficulty accessing the parent APP please email data@stclementshigh.org.uk for support in resolving this. We will contact you via email after the event to allow you the opportunity to provide feedback.

I hope you appreciate how important this event is and sincerely hope you will make every effort to be available. It is vital that we take every opportunity to best prepare students for the next set of mock examinations due to take place in February and a discussion with the class teacher about recent examination performance is one of the first and most impactful steps.

Yours sincerely

Mr L Feaviour
(Assistant Headteacher – Progress & Achievement)
