**Super Learning Day – Year 8 Information Advice and Guidance (IAG) Trip**  
**Friday 9<sup>th</sup> December 2016**

9<sup>th</sup> November 2016

Dear Parent/Carer

To support students in their GCSE option process we have arranged a trip to encourage the students to think about what they want to be when they are older and what skills/qualifications they may need to do so. This trip will happen on our first super learning day, Friday 9<sup>th</sup> December 2016.

In the morning we will be visiting KidZania, a city where the students will be in charge, based in Westfield, London. The students are left to explore the KidZania city with some KidZania dollars. They will participate in more than 60 real life role-play activities, in the bank, on stage or fighting crimes on the street as a police officer! Each role-play experience is crafted to teach essential life skills including financial literacy, team work and independence. Students will explore the world of work, participate in training for their dream jobs and hopefully, at the end of the experience see an increase in the money they were given at the start through their wages. The experience is designed to teach students about the world of work, in a fun, safe and exciting environment.

As we will then be in London we have also booked into the National Science Museum, this adds no additional cost to the visit, but allows students another experience and hopefully encourages some students to consider a career in the science, technology, engineering and mathematics areas. Students here will have the opportunity to explore the science museum, which is very interactive and designed to educate in a fun way.

**The cost of this trip is £27. Please ensure payment is made by Monday 28<sup>th</sup> November in order to secure a place. No late payments will be taken. All consent forms need to be returned to the trip box.**

The coaches will leave school at 7.00 a.m. and return at approximately 7.30pm. Further details will be sent out nearer the time.

Yours faithfully
