

25th May 2022

Dear Parent/Carer

The second mathematics GCSE exam will be sat on Tuesday 7th June; this is the first Tuesday back after returning from half term.

I am pleased to be able to offer a maths booster day during the half term, which will be on Monday 30th May, in room 22; Miss Towler will run the session.

The purpose of the day is to give extra help and support to pupils that gained a grade 3 on their recent mock exam, but we feel are capable of gaining a grade 4 with targeted revision. The day will begin at 9am and end at 3pm, with time allowed for lunch. Refreshments will be provided on the day, but pupils will need to bring their own packed lunch.

Please help support your child by ensuring they are able to attend on this day, arriving promptly at 9am. Pupils must sign in at the front reception, where Miss Towler will meet them.

Yours sincerely

Mr D Batchelor
Head of Maths/Assistant Headteacher
