

3rd November 2022

Year 8 Tutor Consultation Evening
Thursday 10th November. 4.00 pm – 7.00 pm

Dear Parent/ Carer

I would like to invite you to attend the Year 8 Tutor Consultation Evening which will be an excellent opportunity to discuss progress and attainment of your child in their first term with us. We are hosting the evening via an online platform, the link for which can be found at:

<https://stclementshigh.schoolcloud.co.uk/>

Below you will find guidance on how to register for the evening as well as details of how you make appointments with your son/daughter's form tutor. Appointment slots will be opened at 3pm on Friday 4th November. If you experience any difficulties with this process please inform us as soon as possible so that we can support you in accessing the evening in advance.

Mrs Chappell, our school SENCO, also has appointment slots available to meet with parents. Please review the appointments made, especially if you choose to arrange it automatically, as the website will assume that everyone wants an appointment with her.

Progress reports will be available online via the SIMS Parent APP before the event. If you have any difficulty accessing the parent APP please email data@stclementshigh.org.uk for support in resolving this. We will contact you via email after the event to allow you the opportunity to provide feedback.

I hope you are able to attend, it is an excellent opportunity to discuss the progress students have made in their first half term of high school. This will run alongside our Y8 Parent's Evening with subject teachers, later in the year, Thursday 27th April.

Yours sincerely

Mrs E Towle
Assistant Headteacher – KS3
