RE: Online Access and Engagement

Dear Parent/Carer,

With the new academic year underway I wanted to take this opportunity to contact you regarding your sons/daughters ability to access our online learning platforms and resources. Having spent a significant period of time accessing education from home via online platforms we have been undertaking a review of how we would deliver our curriculum in the event of another period of school closure.

Below is a link to a Google Form which is designed to give us a more accurate and up to date overview of exactly what ability you have to switch to an online learning environment. I would be grateful if you could take the time to complete the form by Friday 25th September 2020 so we are more aware of the individual circumstances of our students and can more readily support you if we are required to;

I am sure you can appreciate there is a certain level of uncertainty concerning the current position of schools but please be reassured that we are making every effort to keep the school safe for your sons/daughters and open. If you would like to discuss the contents of this letter or our online curriculum please do not hesitate to contact me on the details listed.

Yours Sincerely

Mr L Feaviour
(Assistant Headteacher KS4 Achievement & Progress)
