Year 11 Parents' Evening
Tuesday 14th March 2023. 4.30 pm – 7.00 pm

Dear Parent/ Carer

I would like to invite you to attend the Year 11 Parents' Evening which will be your final opportunity to discuss the next steps to best support preparation for the actual summer exam series.

I can confirm that this will be a face to face event but appointments will be made electronically using the link below;

<https://stclementshigh.schoolcloud.co.uk/>

Overleaf you will find guidance on how to register for the evening as well as details of how you make appointments with the relevant subject staff. Please can I ask that you register by Monday 6th March 2023 and inform us of any difficulties so that we can support you in booking appointments for the evening in advance.

Progress reports will be available on line via the SIMS Parent APP in advance of the evening. If you have any difficulty accessing the parent APP please email data@stclementshigh.org.uk for support in resolving this. A questionnaire will be provided via a QR code for you to offer feedback during the evening. In addition to this we will have a stall showcasing GCSE Pod and information on how to purchase revision guides.

I hope you appreciate how important this event is and sincerely hope you will make every effort to be available. It is vital that we take every opportunity to best prepare students for the summer exam series due to commence on Monday 15th May 2023 and a discussion with the class teacher about recent mock examination performance is one of the first and most impactful steps.

Yours sincerely

Mr L Feaviour
(Assistant Headteacher – Progress & Achievement)
