

Dear parent/carer,

## **NSPCC Online Workshop – 15.03.23**

We would like to invite you to join us in taking part in an exciting opportunity of a virtual workshop led by NSPCC. The main feature of the event will be keeping our children safe online particularly in regards to online gaming, use of social media and how to install successful parental controls.

The internet's a great place for children to learn, create, chat with friends and family, access information or support and explore fun apps, sites and games. But exploring comes with risks, so it's vital we know how to keep them safe online.

That's why we'd like to invite you to join our **FREE** workshop: 'Keeping children safe online'.

### **Our workshop will:**

- Help you understand how kids experience the online world
- Show you resources and tools that could help keep them safe
- Empower you to guide them on their journey

This workshop is available to parents, carers and family members (this workshop is for adults so please arrange childcare if possible)
