RE: Easter Holiday Revision Programme 2023

Please find overleaf details of revision sessions available to Y11 students during the Easter Holiday. For all sessions students should arrive via main reception and sign in to ensure we are aware of who is onsite at any one time. Students should also sign out upon leaving the site, they are not required to wear school uniform for these sessions.

Unfortunately we will be unable to open the canteen during this time and so any student who is intending to stay for morning and afternoon sessions should bring their lunch with them or can be allowed to leave the site to make alternative arrangements.

I am confident that class teachers will have discussed these sessions with you during our recent Parents Evening and I hope you will support us by encouraging your sons/daughters to attend.

Once we return from the Easter break we have only a week until actual GCSE practical exams commence in Art, Photography and 3D Design with written exams starting from Monday 15th May 2023. It is therefore vital that students take every opportunity to access support from staff.

Can I remind you that whilst we are keen to provide opportunities for students to focus on their exam preparations I also contacted you recently to highlight the wellbeing resources available to you via GCSE Pod, I strongly recommend you find time to watch these with your son/daughter. I have also enclosed an updated GCSE Pod report to illustrate how frequently your son/daughter is accessing this platform, whilst it is not the sole source of revision it is a good indicator of how much independent work they are doing.

If there are any questions about the contents of this letter or about Y11 in general then please do not hesitate to contact me on the details listed.

Yours Sincerely

Mr L Feaviour
Assistant Headteacher (Progress and Achievement)

EASTER PROGRAMME 2023

Time	Thursday 6 th April	Tuesday 11 th April	Wednesday 12 th April	Thursday 13 th April
