

27th June 2024

Dear Parent/Carer

**Y10 Combat Paintball
Monday 15th July 2024**

It is with sincere regret that we have to inform you that your son/daughter hasn't met the criteria set out repeatedly throughout this year to be eligible to attend the Y10 reward trip to combat paintball on Monday 15th July 2024.

As I am sure you will agree a student's attitude to learning, behaviour, consistent attendance and punctuality are significant influences on their ability to achieve their full potential and for that reason it is hoped that this disappointment will provide them a chance to reflect on the study habits they wish to uphold as they enter into their final year of GCSE study.

Students remaining in school on the day of the trip will be provided with a supervised environment where they can continue to work on curriculum subjects and specific coursework elements.

Yours Sincerely

Mr L Feaviour
(Assistant Headteacher)
