

The Learning Gateway

After several years of providing parents with pupil information the Learning Gateway facility has come to an end and you will no longer be able to access your account.

The Learning Gateway has been replaced with Parent app. This app enables you to access achievement, progress, attendance and assessment information about your child. You can also update personal information using the data collection link.

If you have not yet registered for Parent app please email data@stclementshigh.org.uk and we will send you an invitation to create your account. This will enable you to track your child's progress using your smartphone, tablet or computer.
