

11<sup>th</sup> March 2025

Dear Parents/Carers,

As part of our ongoing support for our Year 10 students, in preparation for their upcoming assessments, we will be conducting **daily equipment checks** during tutor time from **Monday 17th March to Friday 21st March**.

These checks are designed to ensure that all students have the necessary equipment to effectively complete their assessments. During this period, students will be checked for the following essential items:

- Pen(s) (black ink ideally)
- Pencil(s)
- Ruler
- Rubber
- Sharpener
- Scientific calculator
- Maths equipment (protractor and compass)

We kindly ask for your support in ensuring that your child has these items available for these checks and ask you to refer to the home-school agreement on the following link as a reminder of how you can support the students during this time:

We believe that these checks will be valuable in helping students feel more confident and organised as they prepare for their assessments. Should you have any questions or concerns, please contact me at [j.towler@stclementshigh.org.uk](mailto:j.towler@stclementshigh.org.uk).

Thank you for your continued support.

Yours sincerely

Miss J Towler  
Head of Year 10
