

25th November 2024

Dear Parents and Carers,

Free Christmas Lunch available – Response needed

This year we are offering all students the opportunity to have a free Christmas Lunch. **The meal will be a traditional sit down, plated** Turkey roast dinner with vegetarian and vegan options available. These lunches will take place in the last two weeks of term, exact dates will be confirmed once we know how many students would like to be involved.

To enable the kitchen to place orders we need to know who would like the meal. Tickets will be provided so **we need a response from everyone please**. A very brief survey can be accessed using the link below, please complete this by 5pm Friday 29th November.

<https://forms.gle/f4EXWTak47KuejWx8>

The free Christmas lunch includes dessert but not a drink, so students may wish to bring in extra drinks or purchase additional drinks at break time. We have multiple water fountains around the school so students may choose to fill their own water bottles.

Students not receiving the Christmas meal, each day will be able to purchase food from the Village Hall as normal, however the menu may be limited.

We hope the students enjoy the occasion and thank you for your support.

Yours sincerely,

Mr N. K. Willingham
Headteacher
