

3rd December 2024

Dear Parents/Carers,

As we approach the new year and the summer GCSE exams, we are committed to ensuring that all our Year 11 students have the support they need to achieve their best results. With this in mind, we are delighted to invite your child to attend weekly after-school revision sessions for GCSE Maths, starting in January.

These sessions are specifically targeted at students who should be aiming for a Grade 5 in their upcoming exams. Our goal is to provide focused and supportive revision that will build confidence and help students consolidate their knowledge in key areas of the GCSE Maths curriculum.

Details of the After-School GCSE Maths Revision Sessions:

- **Start Date:** Thursday 9th January 2025
- **Day:** Every Thursday
- **Time:** 3:10pm – 4:10pm
- **Location:** Room 20

These sessions will provide structured support, with a focus on exam strategies, problem-solving, and key topics that will appear in the GCSE exams. Students will have the opportunity to ask questions, receive individual guidance, and work through practice exam questions.

To ensure we can accommodate all interested students, please confirm your child's participation by Monday 16th December 2024 by completing the attached form and returning it to Miss Towler. If you have any further questions, please feel free to contact j.towler@stclementshigh.org.uk.

Thank you for your continued support.

Yours sincerely,

Miss Towler
Teacher of Maths
