Dear Parent/Carer,

RE: House System

We will shortly be uploading details of the new house system to the MCAS web parent portal and we hope this will be the beginning of an enhanced sense of community at St Clement's High School. Students will be allocated to one of our new houses as decided by the student body as follows; Attenborough, Parks, Turing or Yousafzai and in the coming weeks will meet their new house members and house leader.

Throughout the academic year there will be a range of competitive events that students can participate in as part of their new house which include activities in Technology, Maths, Photography and PE. Each event will provide students with an opportunity to demonstrate their skills and abilities in a variety of challenges whilst accumulating points which we will use to calculate our annual house champions.

As a school we are incredibly excited about the prospect of a new house system and look forward to seeing students proudly participating in the planned activities. Please don't hesitate to get in touch if you have any questions about the contents of this letter.

Yours sincerely

Mr L Feaviour
(Assistant Headteacher)
