

7th January 2026

Dear Parent/Guardian,

Year 8 Parents' Evening
16:30–19:00, Thursday 22nd January

I am writing to invite you to our upcoming Year 8 Parents' Evening, which will take place on Thursday 22nd January. This evening is an important opportunity for you to meet with your child's subject teachers to discuss their progress across the curriculum, gain valuable insights into their strengths and areas for development.

Appointments for the evening can be made electronically via School Cloud. Please use the link below to register and make your appointments:

<https://stclementshigh.schoolcloud.co.uk/>

The booking system will open at 6pm on Thursday 8th January. Please ensure you book your appointments in advance to secure your preferred times. Be aware that some staff teach a large number of Year 8 students, so it may not be possible to book an appointment with every teacher on the night. If you are unable to secure a slot with a particular teacher, please contact the school office to arrange a follow-up phone call or meeting.

The event will take place in person. On arrival, please sign in at reception with your son or daughter. Staff will be on hand to guide you through the evening and direct you to your appointments.

We strongly encourage all parents and carers to attend. Working together, we can celebrate your child's achievements and provide the right support to help them thrive at St Clement's.

If you have any questions or require assistance with booking, please don't hesitate to contact us.

Yours sincerely,

Mr S Bailey
Head of Year 8
